Dear fellow Commissioners,

I thought I would share this link as it is a great description of what PEG is, how it came to be, the changes it has gone through and the future challenges it will face.

Commissioners,

I'm not sure that all of you saw the RJT articles in Sunday's paper re: the RFP's and the future of CAR 25. Two articles by reporter Cara Spoto appear at this link.

http://www.journaltimes.com/news/local/dickert-car-public-access-channel-must-change/article_53348158-4737-11e2-a0bb-001a4bcf887a.html

Also attached is a PDF that appears to incorporate the text of the two articles.

Before engaging in a detailed review of the RFP's submitted, and other submitted ideas, I think we should discuss the significance of our review and the role of the Common Council and the Mayor in making changes to the current situation.

Walter ...
